

**Selma City Schools
2022-2023
Mathematics Pacing Guide**

The Selma City Schools Pacing Guides serve as the district's instructional calendar to ensure that specific content standards are taught in all classrooms. Pacing guides are prepared for curricular continuity across all schools. The school district will administer quarterly benchmark assessments to assess students' acquisition of the taught standards. The sustainability of learning should also be reflected in students' performance on diagnostic and state assessments.
